July 11th Wedding Leads to Several Testing Positive for COVID-19

Tioga County Public Health has received notice that several individuals who attended a large wedding at **Cornerstone at W & W** in Apalachin on Saturday, July 11th have now tested positive for COVID-19. Anyone who attended this wedding should self-quarantine for 14 days until July 25th to avoid further potential spread of the virus.

The wedding party also had their rehearsal dinner at **The Cellar Restaurant & Bar on the River** in Owego on Friday, July 10th. Anyone who was at that restaurant that night between 6:00 – 9:00pm should self-quarantine for 14 days until Friday, July 24th.

Anyone who attended this wedding or who was at this restaurant on Friday night and who becomes symptomatic should contact their health care provider and their local health department. COVID-19 testing is available at Binghamton University and at the Ithaca Mall. Additional information on these testing sites can be found on the Tioga County Public Health Facebook Page.
